again been broken in connection with the applications for space in the Tenth international automobile show, which will open New Year's eve in Grand Central Palace, and there is no question that the exhibition of the American Motor Car Manufacturers' association will be the greatest ever held in this

When the applications for space to chance to score, participate in the first allotment closed 110,000 square feet had been applied for, which is about 5,000 square feet more than was applied for last year. With but 72,000 square feet at their disposal, Chairman R. E. Olds and his associates on the show committee will experience considerable trouble satisfying the demands of the motor car and accessory

Members of the American Motor Car Manufacturers' association have fairly quests for increased space, and members of the Importers' Automobile Salon have taken every foot contracted for by that association.

### FAIR RACES CLOSE WITH FAST CARD

Crimson Eleven Outclasses Lo- Inland Empire Handicap Is Decided Feature of Running Events.

IN 2:25 CLASS.

Favored with ideal fall weather racing conditions the state fair races closed ves-

the score of 28 to 0. It was a bitter pill for the farmer rooters to swallow, but the Crimson rooters from Salt Lake were wild with joy as their team rolled up the score.

One bright spot alone stood out for the Aggies—their line withstood the attacks of the state university time and time again. It was by means of the onside kick, forward pass and end runs that the visitors gained their ground. In each of these methods of attack they showed finished style and the execution was quick and snappy.

On the other hand the inexperience of the Logan eleven was easy to be seen and inability to tackle, and repeated fumbles further told for defeat.

The play on a whole was clean and the population was about county. The time was 1:42 equalling the best time made at Buena Vista.

The horses were sent to the post with Little Osage, the strong favorite. The talent said that the Bauer horse had all the speed. Yuba, the crack 2-year-old of the Anchorage stock farm, and the youngest who won over aged horses, two weeks ago, was also given a chance. Kopek and Frank Lubbock were liked by the meeting, the Inland Empire handicap, to furnish the most exciting finish of the meeting, Attracted by the handsome purse the Buena Vista horse owners sent out their cracks to win if possible.

The play on a whole was clean and the penalties were about equally divided.

pek and Frank Lubbock were liked by the wise ones.

As the form forecast predicted for the first half mile it was Little Osage and Yuba, many bets having been made on the two for the first circuit. Rounding into the stretch the first time Sullivan upon Little Osage cut into the rail, shutting Yuba off and gaining several lengths.

On the back stretch Little Osage began to tire and Frank Lubbock followed by

honors of the play. Love handled his team in fine shape and his gains on onside kicks and quarterback runs were both consistant and frequent.

The Aggie ends, Egbert and Holden, played a strong game, and Hancock at half also starred. At no time, however, could the local eleven gain consistently against the visitors, and the Crimson goal was never in danger.

On the back stretch Little Osage began to the and Frank Lubbock followed by Kopek went by. Into the stretch it looked easy for Lubbock, but Kopek offered one of the gamest stretch runs seen and soon had the big horse driving. At the wire Kopek needed another jump to win. Huapala came home for show. Little Osage and Yuba both dropped back out of the money, the distance being a little too far. The track was very hard and bothered Yuba. Kopek's run proved a very game Yuba. Kopek's run proved a very game effort as he pulled up lame.

Easy Winners.

grabbing the ball as it bounced from Paddock's shoulder and the former Michigan fullback had but a jump to go over.

The touchdown was protested by Coach Teetzel on the ground that Paddock was back of the line, but it was not allowed by the officials.

The game started with the Aggies kicking off to the university. On the second down Love circled the left end for fifty-five yards and was called back twenty-five yards for running out of bounds. The ball was carried back and fourth around the center line, when a fumbled forward pass gave Sweitzer the ball and he was not downed until property of the place in the first heat, coming in the first two heats, but did not have the foot.

### RACING NOTES

Monday will see the ponies performing again at Buena Vista, after a week of rest during the state fair races. Those that did not appear at the fair have been kept in hard training and along with the track are now rounding into excellent form. During the week many new animals have appeared on the grounds, and will be ready to race this week. The rain of the past week has done wonders for the track, and it now is in fine racing shape.
